**STATEMENT OF FINANCIAL AFFAIRS AND SCHEDULES
OF ASSETS AND LIABILITIES FOR FORTUNOFF HOLDINGS, LLC**

**UNITED STATES BANKRUPTCY COURT
SOUTHERN DISTRICT OF NEW YORK**

**GENERAL NOTES AND STATEMENT OF
LIMITATIONS, METHODOLOGY AND DISCLAIMER
REGARDING THE DEBTORS' STATEMENTS AND SCHEDULES (the "Global Notes")**

GENERAL

On February 5, 2009 (the "Petition Date"), Fortunoff Holdings, LLC ("Fortunoff") and Fortunoff Card Company, LLC ("Fortunoff Card", and together with Fortunoff, the "Debtors") each commenced a voluntary case under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code") in the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court"). The Schedules of Assets and Liabilities (the "Schedules") and Statement of Financial Affairs ("Statements"), including all attachments thereto, have been prepared pursuant to 11 U.S.C. § 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") by management of the Debtors and are unaudited.

While the Debtors' management has made every effort to ensure that the Schedules and Statements are accurate and complete based on information that was available at the time of preparation, inadvertent errors or omissions may have occurred. The Schedules and Statements remain subject to further review and verification by the Debtors. Unless otherwise noted, the information set forth herein is as of January 4, 2009, provided, however, that (i) the values provided in Statement 1 and Schedule B(30) are as of February 1, 2009; and (ii) the values and/or information provided in Statement 14, Schedules B(1), B(2), B(16), D, E, F and G, as well as attachment B18-1, are as of the Petition Date. Subsequent receipt of information or an audit may result in material changes in financial data requiring amendment of the Schedules and Statements. The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States ("GAAP"), nor are they intended to be fully reconciled to the financial statements. The Debtors reserve their rights to amend the Schedules and Statements from time to time as may be necessary or appropriate. These Global Notes regarding the Debtors' Schedules and Statements comprise an integral part of the Schedules and Statements filed by the Debtors, and should be referenced in connection with any review of the Schedules and Statements. Moreover, these Global Notes are in addition to any specific notes contained in each of the Debtors' Schedules or Statements. The fact that the Debtors have included notes with respect to any specific item in the Schedules or Statements should not be interpreted as a decision by the Debtors to exclude the applicability of such a note to any other items in the remaining Schedules and Statements.

The Schedules and Statements have been signed by Christopher Sim, Chief Financial Officer of Fortunoff. In reviewing and signing the Schedules and Statements, Mr. Sim has necessarily relied upon the efforts, statements, and representations of the accounting and non-accounting personnel of the Debtors. Mr. Sim has not (and could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors.

Historical Value. Unless otherwise noted, each asset and liability of the Debtors is shown on the basis of the historical value of the asset or liability in the Debtors' accounting books and records, rather than the current market values of such interests in property and/or liabilities. Historical value is being utilized because purchase accounting adjustments were not made to the books and records of H Acquisition, LLC (now known as Fortunoff) after it acquired the assets of Fortunoff Fine Jewelry and Silverware, LLC, M. Fortunoff of Westbury, LLC and Source Financing Corp., in their chapter 11 cases commenced on February 4, 2008. The books and records of Fortunoff therefore reflect the historical value of the assets purchased by H Acquisition. Inventory values are shown on the basis of cost value. The Debtors reserve their rights to amend or adjust the value of each asset or liability set forth herein.

Sale of Certain Assets

Since the Petition Date, certain assets of the Debtors have been sold through asset sales approved by the Bankruptcy Court. More particularly, on February 25, 2009, the Bankruptcy Court entered an order, approving the sale of substantially all of the Debtors' assets to a joint venture comprised of Tiger Capital Group, LLC, SB Capital Group, LLC, Kimco Realty Services, Great American Group WF, LLC, Hudson Capital Partners, LLC, The Gordon Company, Inc. and Bobby Wilkerson, Inc. in connection therewith. In addition, on March 6, 2009, the Bankruptcy Court entered an order, approving the private sale of certain merchandise to Lord & Taylor LLC. As a result of these sales, the Debtors no longer have an interest in certain of the assets listed on the Schedules B(29) and B(30).

Liabilities. The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change. The Debtors also reserve their rights to change the allocation of liability to the extent additional information becomes available.

Pursuant to orders of the Bankruptcy Court, the Debtors have been granted authority to pay certain prepetition obligations to, among others, employees and taxing authorities. Accordingly, these liabilities have been or will be satisfied and may or may not be listed in the Schedules and Statements.

Reporting of Certain Information. The Debtors have sought to gather the information required in the Schedules and Statements and isolate business operations in order to file Schedules and Statements for each Debtor on an individual basis. However, in certain instances, the Debtors are unable to determine certain information on an individual basis. In those cases, information is reported as a single entity.

Insiders. In the circumstances where the Schedules and Statements require information regarding insiders and/or officers and directors, the Debtors have attempted to include therein each of the Debtors' (a) "directors" or "managers" (or persons in similar positions) and (b) employees that may be, or may have been during the relevant period, "officers" (or persons in control). The Debtors have attempted to exclude in such applicable Statements information relating to certain of their employees who, despite the title of their position with the Debtors (including without limitation

certain employees with the title of “officer”) are not “officers” of the Debtors as such term is used in the Bankruptcy Code because, among other things, such employees (i) serve or served in a purely administrative and/or ministerial capacity, (ii) were not appointed by the Debtors’ board of directors, and/or (iii) do not have or ever had any material inside information as a result of their employment with the Debtors.

The listing of a party as an insider is not intended to be nor should it be construed as a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right, or defense, and all such rights, claims, and defenses are hereby expressly reserved. Employees have been included in this disclosure for informational purposes only and should not be deemed to be “insiders” in terms of control of the Debtors, management responsibilities or functions, decision-making or corporate authority and/or as otherwise defined by applicable law, including, without limitation, the federal securities laws, or with respect to any theories of liability or for any other purpose.

Agreements Subject to Confidentiality. There may be instances within the Schedules and Statements where names, addresses and/or amounts have been redacted. The omission of such information was appropriate or necessary due to the nature of an agreement between the Debtors and a third party, concerns of confidentiality or concerns for the privacy of an individual.

Excluded Assets and Liabilities. The Debtors have excluded certain categories of assets and liabilities from the Schedules and Statements, including goodwill. In addition, certain immaterial assets and liabilities may have been excluded.

Currency. Unless otherwise indicated, all amounts are reflected in U.S. dollars.

SCHEDULES OF ASSETS AND LIABILITIES

Schedule B.

Cash. Cash is listed in the Schedules at bank balances as of the Petition Date.

Credits in the Ordinary Course of Business. In the ordinary course of their business, the Debtors apply credits against amounts otherwise due to vendors. Certain of these credits are subject to change. Vendor claims are listed at the amounts entered on the Debtors’ books and records, which may reflect credits or allowances due from such creditors to the Debtors. The Debtors reserve all of their rights respecting such credits and allowances.

Office Furnishings, Equipment and Machinery. All office furnishings, equipment, and machinery are set forth on Schedule B(29) (titled, “Machinery, fixtures, equipment, and supplies used in business”), and not on Schedule B(28) (titled, “Office equipment, furnishings and supplies”).

In the ordinary course of their business, the Debtors may lease furniture, fixtures, and equipment from certain third party lessors for use in the daily operation of their business. Any such leases are set forth in the Schedules. Nothing in the Schedules is or shall be construed as an admission as to the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all their rights with respect to any such issue.

The Debtors may no longer have an interest in certain of the assets listed in Schedule B(29) as a result of, among other things, certain asset sales, as described in more detail above.

Inventory. Inventory reported on Schedule B(30) includes certain merchandise that was provided to the Debtors on a consignment basis. Nothing in the Schedules is or shall be construed to be an admission as to any party's ownership interest and the Debtors reserve their rights to dispute or challenge that ownership interest.

The Debtors may no longer have an interest in certain of the inventory listed in Schedule B(30) as a result of, among other things, certain asset sales, as described in more detail above.

Causes of Action. The Debtors, despite their efforts, may not have listed all of their causes of action against third parties as assets in the Schedules. The Debtors reserve all of their rights with respect to any causes of action they may have and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action.

Intellectual Property. Exclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated, or otherwise expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated, or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all such intellectual property rights.

Schedule D. Except as otherwise agreed pursuant to a stipulation or order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the validity, perfection or immunity from avoidance, of any lien purportedly granted to a secured creditor listed on Schedule D or perfected in any specific asset. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim. The descriptions provided in Schedule D are intended only to be a summary.

Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the Global Notes shall be deemed a modification or interpretation of the terms of such agreements.

Schedule E.

Wages. The Bankruptcy Court entered an order granting the Debtors authority to pay certain prepetition employee wages, compensation, benefits and other related obligations (the “Employee Wage Order”). Pursuant to the Employee Wage Order, the Debtors believe that, other than claims of certain former and current employees in excess of the statutorily permitted priority amount, any employee claims for prepetition amounts have been or will be satisfied, and such satisfied amounts may or may not be listed on Schedule E.

Taxes. The Bankruptcy Court also entered an order granting authority to pay certain prepetition sales, use, trust fund, property and other taxes (the “Tax Order”). Pursuant to the Tax Order, the Debtors were authorized to pay certain prepetition taxes and fees due and owing to taxing authorities consistent with the practices and policies in effect as of the Petition Date. Claims of taxing authorities that were satisfied pursuant to the Tax Order may or may not be included on Schedule E.

Health Benefits. Schedule E reflects the Debtors’ estimated liabilities for their self-insured medical and dental benefit plans for which services have been provided, but payment has not yet been made.

Merchandise Payments. Schedules E and F reflect certain payments by customers for merchandise that had not been delivered by the Debtors as of the Petition Date. In certain cases, the Debtors delivered merchandise to such customers after the Petition Date.

Reservation of Rights. The listing of any claim on Schedule E does not constitute an admission by the Debtors that such claim is entitled to priority treatment under section 507 of the Bankruptcy Code. The Debtors reserve their rights to dispute the priority status of any claim on any basis. Moreover, the listing of any tax claim on Schedule E is not an admission or designation by the Debtors that such claim is a prepetition tax claim. The Debtors reserve their rights to treat any of these claims as postpetition claims.

Schedule F.

Executory Contracts. Schedule F reflects the prepetition amounts owing to, among others, counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption or assumption and assignment of an executory contract or unexpired lease. In addition, Schedule F does not include rejection damage claims of the counterparties to executory contracts and unexpired leases that have been or may be rejected.

Utility Company Setoffs. Schedule F reflects prepetition amounts owed to utility companies as of the Petition Date, according to the Debtors’ books and records. Pursuant to section 366(c)(4) of the Bankruptcy Code, certain utilities, however, may have set off prepetition deposits against prepetition amounts owed. Accordingly, the exact amounts owed to utility companies as of the Petition Date may differ from the amounts reflected on the Debtors’ books and records.

Gift Cards. Schedule F also reflects amounts owed to customers with respect to the purchase of gift cards. Because the Debtors cannot identify the current holders of such gift cards, the Debtors’ aggregate liability is set forth on Schedule F without the holders’ identities.

Other. Certain amounts reflected on Schedule F may have been paid after the Petition Date, pursuant to an order of the Bankruptcy Court. Moreover, certain amounts have been or will be classified as reclamation claims or claims pursuant to section 503(b)(9) of the Bankruptcy Code.

Schedule G.

Executory Contracts. The Debtors have not set forth executory contracts as assets in their Schedules and Statements. The Debtors' executory contracts have been set forth in Schedule G and are also reflected in Schedule F.

Reservation of Rights. While every effort has been made to ensure the accuracy of Schedule G, inadvertent errors or omissions may have occurred. Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. Inclusion of any agreement on Schedule G does not constitute an admission that such agreement is an executory contract or unexpired lease and the Debtors reserve all rights in that regard, including, without limitation, the right to challenge an agreement as not executory, expired pursuant to its terms, or terminated prepetition.

Claim Descriptions and Amounts. Any failure to designate a claim on the Debtors' Schedules as "contingent," ("C") "unliquidated," ("U") or "disputed" ("D") does not constitute an admission by the Debtors that such claim is not "contingent," "unliquidated," or "disputed." The Debtors reserve their rights to dispute, or to assert offsets or defenses to any claim reflected on the Schedules as to amount, liability, priority, status, or classification, or to otherwise subsequently designate any claim as "contingent," "unliquidated," or "disputed." Moreover, the Debtors reserve their rights to amend their Schedules as necessary and appropriate.

Claim amounts that could not be fairly quantified by the Debtors are scheduled as "unknown," and with a C, U, and/or D notation, whichever is appropriate, given the individual circumstances.

STATEMENTS OF FINANCIAL AFFAIRS

Question 3(b).

The responses to Question 3(b) do not include wages or salaries paid to employees during the stated 90-day period. In regards to amounts still owing, the Debtors refer to and incorporate by reference Schedules E and F.

Question 3(c).

In regards to amounts still owing, the Debtors refer to and incorporate by reference Schedules E and F.

Question 4.

The Debtors, despite their efforts, may not have listed all of their causes of action against third parties as assets in the Statements. The Debtors reserve all of their rights with respect to any causes of action they may have and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action.

Question 5.

Fortunoff Holdings routinely returns property to sellers in the ordinary course of business for various reasons, including that the products were defective or damaged or were shipped erroneously. Other than these ordinary course items, the Debtors are not aware of any property that has been returned to the seller.

Question 9

While Fortunoff has made certain payments related to debt counseling or bankruptcy, such payments were made for the benefit of both Debtors in these chapter 11 cases.

Question 13.

The Debtors routinely incur setoffs in the ordinary course of business, including, but not limited to, setoffs relating to credit cards and advertising costs. Other than these ordinary course setoffs, the Debtors have listed other setoffs made within 90 days preceding the Petition Date in Attachment 13.

In addition, as stated above, the Debtors believe that pursuant to section 366(c)(4) of the Bankruptcy Code, certain utility providers may have applied prepetition deposits to prepetition obligations. At this time, the Debtors do not have a list of all utility providers that have set off prepetition deposits. The Debtors further believe that certain landlords may have applied prepetition security deposits to certain rental and other obligations under the leases. At this time, the Debtors do not have a list of landlords that may have set off such deposits.

Question 14.

The information reflected in the response to Question 14 includes certain inventory held or controlled by the Debtors as of the Petition Date from vendors that (i) provided such inventory to Fortunoff on consignment, memo or similar arrangement; and (ii) properly perfected their ownership interests in such inventory (the “Consigned Goods”). Since the Petition Date, Fortunoff has returned and is in the process of returning certain of the Consigned Goods. Accordingly, the Debtors may no longer hold or control certain of the Consigned Goods listed in response to Question 14.

Also since the Petition Date, Fortunoff has returned or is in the process of returning certain other property owned by another person that the debtor holds or controls. Accordingly, the Debtors may no longer hold or control certain of the property listed in the response to Question 14.

Question 19d.

The Debtors, in the ordinary course of conducting their business, may have provided financial information, including financial statements, to numerous parties including, among others, banks, customers, vendors, and landlords. The Debtors do not have a record of their delivery of all such financial statements and, accordingly, although the Debtors have listed some of the entities that have received financial statements, there may be certain entities that have not been included in the response to Question 19d.

Question 24.

Fortunoff and Fortunoff Card are consolidated for tax purposes only.

SCHEDULE D - CREDITORS HOLDING SECURED CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number of all entities holding claims secured by property of the debtor as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. List creditors holding all types of secured interests such as judgment liens, garnishments, statutory liens, mortgages, deeds of trust, and other security interests.

List creditors in alphabetical order to the extent practicable. If a minor child is a creditor, the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m). If all secured creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor", include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H", "W", "J", or "C" in the column labeled "Husband, Wife, Joint, or Community".

If the claim is contingent, place an "X" in the column labeled "Contingent". If the claim is unliquidated, place an "X" in the column labeled "Unliquidated". If the claim is disputed, place an "X" in the column labeled "Disputed". (You may need to place an "X" in more than one of these three columns.)

Total the columns labeled "Amount of Claim Without Deducting Value of Collateral" and "Unsecured Portion, if Any" in the boxes labeled "Total(s)" on the last sheet of the completed schedule. Report the total from the column labeled "Amount of Claim" also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report the total from the column labeled "Unsecured Portion" on the Statistical Summary of Certain Liabilities and Related Data.

☐ Check this box if debtor has no creditors holding secured claims to report on this Schedule D.

SCHEDULE E - CREDITORS HOLDING UNSECURED PRIORITY CLAIMS

A complete list of claims entitled to priority, listed separately by type of priority, is to be set forth on the sheets provided. Only holders of unsecured claims entitled to priority should be listed in this schedule. In the boxes provided on the attached sheets, state the name, mailing address, including zip code, and last four digits of the account number, if any, of all entities holding priority claims against the debtor or the property of the debtor, as of the date of the filing of the petition. Use a separate continuation sheet for each type of priority and label each with the type of priority.

The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. § 112 and Fed. R. Bankr. P. 1007(m).

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H-Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community." If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of claims listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all claims listed on this Schedule E in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules.

Report the total of amounts entitled to priority listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all amounts entitled to priority listed on this Schedule E in the box labeled "Totals" on the last sheet of the completed schedule. Individual debtors with primarily consumer debts report this total also on the Statistical Summary of Certain Liabilities and Related Data.

Report the total of amounts not entitled to priority listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all amounts not entitled to priority listed on this Schedule E in the box labeled "Totals" on the last sheet of the completed schedule. Individual debtors with primarily consumer debts report this total also on the Statistical Summary of Certain Liabilities and Related Data.

☐ Check this box if debtor has no creditors holding unsecured priority claims to report on this Schedule E.

SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report this total also on the Statistical Summary of Certain Liabilities and Related Data.

☐ Check this box if debtor has no creditors holding unsecured claims to report on this Schedule F.
